

Fichte Endl & Elmer E Y E C A R E

1-Day SMILE Eye Drop Instructions

Eye: Right Left Both **Your next Appointment is:** _____

Antibiotic: (Ofloxacin) _____ x day for 7 days then stop

Steroid: (Lotemax, Prednisolone) _____ x day for 7 days then stop

Lubricating Drops: (*non- preserved artificial tears*) _____ x day

*You may use any non-preserved artificial tear. We do offer **OASIS** preservative free tears, which can be purchased at our office.*

** ***Use all drops as instructed until your next appointment.*** The Antibiotic drop may run out before you are seen. There is no need to refill this eye drop if you have used it for at least 5 days.

** Drink plenty of water.

Call the office at **(716) 564-2020** if you have any questions. After hours, please call our answering service at 285-6941. The service will send out a page or phone call to either Kevin O'Brien or the doctor on call. **If you receive no response within 20 minutes, please call our answering service back at the number above.**
